COMMUNICATIONS

Notice to College Members

January 11, 2019

The College has contracted with Ms. Martha Muzychka, Praxis Communications, to conduct a review of the communications processes and tools associated with the College's activities. Ms. Muzychka will be distributing a survey to you in late January to collect your opinions and suggestions for future improvements.

We would appreciate it very much if you would give her request every consideration by completing the survey within the specified deadline.

As well, Ms. Muzychka is interested in speaking to some of our members as a complement to the survey data. If you are able to give her 15 minutes of your time, please contact her at martha.muzychka@gmail.com to confirm your availability. Your responses will be kept completely confidential, as they will be pooled for reporting to the College in March 2019.

All College communication to its members will be by email.
It is a professional obligation for College members to read all College communications.
