CPSO DIALOGUE

Notice to College Members

February 6, 2019

The College of Physicians and Surgeons of Newfoundland and Labrador (CPSNL) is a small Canadian Medical Regulatory Authority. The College of Physicians and Surgeons of Ontario (CPSO) has a significantly larger physician membership. Its capacity to research and prepare policies and to prepare sophisticated and interesting publications is much larger than ours. CPSNL wishes to draw its members' attention to the recent CPSO Dialogue which can be found at www.cpso.on.ca. All articles are topical and thought-provoking. The articles "The Wise Use of Antibiotics" and "Practice Points - Sensitive Draping Techniques" will be of particular interest to CPSNL College members.

All College communication to its members will be by email.
It is a professional obligation for College members to read all College communications.
