PROVINCIAL PALLIATIVE CARE RESOURCE GUIDE

Notice to College Members

February 25, 2021

The Dr. H. Bliss Murphy Cancer Centre has requested that the College provide physicians within our province with a copy of their Provincial Palliative Care Resource Guide, one of the initiatives of the Early Integration of Palliative Care project. A copy of this Resource Guide is attached.

This detailed resource guide reflects the palliative care services available in Newfoundland and Labrador, divided by each Regional Health Authority. It provides healthcare professionals the information and contacts needed to support patients and families during their palliative care journey.

All College communication to its members will be by email.
It is a professional obligation for College members to read all College communications.
