

Greetings,

The College is currently assessing the expectations of physicians on key topics related to the new and revised Standards of Practice (SoP).

Members are invited to share feedback before **August 30, 2024**. To provide anonymous feedback, please click the following three links to complete a short survey on each topic:

1. [Consent to Treatment](#) (5 min)
2. [Establishing and Ending the Physician-Patient Relationship](#) (5 min)
3. [Interdisciplinary Care and Delegation of Tasks](#) (5 min)

To provide feedback directly, please email [consultation@cpsnl.ca](mailto:consultation@cpsnl.ca).

More information about the consultation, including the draft SoPs, can be found on the College's website: [Consultations - CPSNL](#).

Thank you,
