

# 2025 Licence Renewal Coming Soon

Greetings Members,

The 2025 Licence to Practice Medicine Renewal will open **November 1**. The renewal fee is \$2,300. For Atlantic Registry Members who wish to remain on the Atlantic Registry, an additional \$500 is required.

The College implemented a new [Member Portal](#) in June of this year. Your login username is the email address you have on file with the College.

To complete your renewal application, you will need the following items:

- **Certificate(s) of Professional Conduct (CPC)** – If you practiced medicine outside of Newfoundland and Labrador, please request your CPC(s) **as soon as possible** as CPCs from other jurisdictions may take several weeks. Members on the Atlantic Registry do not need to provide CPCs from NS, PE or NB.
- **Professional Liability Coverage** – Must be in effect for the duration of your licence (unless you hold Non-Practicing status).
- **Newfoundland and Labrador Medical Association (NLMA) Membership** – You must join or renew your membership within 30 days of licence renewal.
- **Certifying Body and Membership Number (for Continuing Professional Development (CPD) purposes)** – College of Family Physicians of Canada (CFPC) or Royal College of Physicians and Surgeons of Canada (RCPSC).
- **Sponsorship** – Provisional and Clinical Assistant Licence Holders also require sponsorship and NL Health Services will provide confirmation directly to the College.

Applications submitted after December 1 will be subject to a late application administrative fee (\$500) and potential licensure disruption.

The College looks forward to serving you during this renewal period.
