RCPSC Subspecialist Examination Affiliate Program Route to Licensure

Licensing Policy

This policy outlines the minimum requirements for obtaining a Provisional Licence – Specialty Practice through the Royal College of Physician and Surgeons of Canada's (RCPSC) Subspecialist Examination Affiliate Program (SEAP).

Scope

This policy focuses specifically on specialist applicants who are applying for licensure through the RCPSC's SEAP.

Policy

In addition to meeting all other licensing criteria, an applicant for a Provisional Licence – Specialty Practice via the RCPSC's SEAP must:

1. Successfully complete the RCPSC subspecialty examination through the SEAP program; and
2. Provide proof of Royal College Subspecialist Affiliate status in their subspecialty.

Physicians issued a Licence to Practice Medicine through this policy shall be restricted in scope to their subspecialty as recognized by their RCPSC Subspecialty Affiliate status.
